

dual

DU 103 black

: product card

A distinguishing feature of the Dual chair is the plastic panel that "blends into" the soft upholstery. The wide backrest and extremely comfortable foam offer a highly comfortable seat.

collection advantages

combination of two materials

As a result of combining two materials, we have created an armchair with an exemplarily modelled backrest, with a distinctive back where the plastic panel 'blends' into the soft upholstery. The Dual armchairs offer the possibility of free embroidery on the upholstered part of the armchair.

maximum comfort

Dual provides maximum seating comfort due to not only the wide backrest and seat, but also the use of thick foam to increase seating comfort.

proven ergonomics

Dual office chairs meet the requirements of international standards for ergonomics and safety of office furniture.

technical data

DU 103 black

Standard ●
Option ○

Mechanism

Synchro and self-weighting—the spring force automatically adapts to the weight of the sitting person, range of adjustable recline angle(backrest:20°,seat:5°), with an adjustable seat depth (range: 58mm)	B+X	●
Fast-synchro with backrest fixed in 4 positions (range of recline angle: backrest: 20°, seat: 8°)	FS	○
Fast-synchro with backrest fixed in 4 positions (range of recline angle: backrest: 20°, seat: 8°), with seat depth adjustment (range: 58mm)	FS+X	○
Synchro mechanism with the backrest fixed in 4 positions (adjustable recline: backrest: 22°, seat: 13°), with an adjustable seat depth	M+X	○

Additional adjustment

Adjustable backrest height (range: 80 mm)		●
Adjustable lumbar support depth (range: 15 mm)	BLS	○

Base

Plastic 5-star base (nylon) Ø700 + standard black ring (RB)	17	●
