

orte

OT 22X

: product card

The Orte collection is a wide range of chairs, hockers, benches and tables , which conceal functionality and versatility. The lightness of construction goes hand in hand with high durability confirmed by laboratory tests. The collection has been a bestseller in our offer for many years.

collection advantages

reliability and universality

Orte benches are designed for communication areas such as railway stations, airports, lobbies and waiting rooms, among others. Their durability and reliability make them ideal for heavily used areas.

possible configurations

Orte benches are freely configurable and can have from 2 to 5 seats. A practical top can also be fitted in place of a seat.
