quadra

QD RO 45 M IN + QD SCR

: product card

A system of simple sofas and poufs, enabling virtually any configuration. The modules can be used to create layouts that improve the functionality of rooms and passageways, creating discrete meeting and conversation spaces.

collection advantages

meeting place

The Quadra collection is a modular seating system with almost any configuration. Arrangements can be created from the modules to improve the functionality of rooms or to create conversation spaces.

intimate space

Acoustic walls make it possible to carve out an intimate and quiet space for conversation or work. The walls have been filled with a special sound-absorbing fleece to improve the comfort of conversations in the office and reduce the prevailing noise.

optional accessories

Quadra acoustic furniture sets can be supplemented with a table, mediaports attached to the seats and TV hangers and mediaports installed on the acoustic walls.
