collection advantages

Dynamic form

The Shell is a family of the avant-garde conference chairs that stand out with its original and dynamic form, based on a combination of the plastic elements and a lightweight metal frame.

Easy to maintain

A wide selection of the colours of the plastic elements and a chromed frame make the Shell perfectly fit into a style of the modern lecture halls, waiting rooms and reception desks, and thanks to a fact that it is easy to be kept clean, the chair also works well in the social rooms.
