# collection advantages

## Uncompromising design

The Sky\_line impresses from the first encounter. A dynamic and aggressive form uncompromisingly breaks a form of the classic chair. Like in the best recipe, it combines carefully balanced proportions of the seat, thoughtful details of the structure with a broad range of the colours and textures.

## Feast for senses

The Sky\_line is a composition of the convenience of use, sprinkled with a pinch of the modern design and designer's boldness. A real feast for the senses.
