

spin

SN W TB L

: product card

A diverse collection of loft-style furniture. Solid wood and steel create a unique, austere atmosphere, ideal for modern offices. The high tables, chairs and benches are the perfect choice for bar and canteen arrangements. Upholstered, soft seats make the furniture appealing not only in terms of design but also comfort.

collection advantages

Good design all round

A collection of loft bar chairs, benches and tables that combines solid wood, steel and high-performance fabrics. Spin is proof that everything revolves around good design..

Solid loft-style tables

Spin is a collection of tables with a stable steel structure or wooden legs. The tabletops can be made from laminated board or finger joint oak wood. The Spin tables are perfect for loft-style interiors and can function as an island in a company kitchen or coworking area.
