

split

SP 215

: product card

A versatile chair created by an Italian designer. Thanks to the use of innovative plastic with fibreglass, it was possible to create a flexible shell and a strong, sturdy frame. The chair's undeniable advantage is the possibility of using it outdoors.

design:
Francesco Meda

collection advantages

Comfort & durability

What is a secret of the Split chair? A soft and flexible bucket, for those who are searching for comfort and strong feet for those who expect strength.

Perfect outside

Simplicity in the purest form and a possibility of using the product outside are the unquestionable advantages of this chair. The Split was designed by the Italian designer Francesco Meda.
