TB OU 60H

: product card

Tables made of steel, gal-vanised and powder-coated, which makes them resistant to outdoor conditions. Despite their light form, the tables are solid and stable.

# collection advantages

## To the garden

These tables are made of steel, galvanized and powder coated with polyester. Thanks to this finish, the tables can be used outside e.g. in caf gardens.

## For the Split collection

They come in two heights and two sizes of tops, in 4 color variants: cream, burgundy, black and dark green. They look great with the Split collection. They can be stacked horizontally without any quantity restrictions.
